

# Fighter

The **Fighter** is a class available for survivors in the Dead Zone Revive.

## Description

Fighters are your best choice for combat of all kinds. They're hardy and have proficiency with a wide range of weapons.

On the downside, they're slow moving and not good at much else.

## Overview

Fighters have the best combined combat stats of any class. Whenever the need arises to bring the most damage to bear, Fighters are the best bet. Their unmatched health allows them to hit like a truck while soaking up damage that would down the more fragile support classes. The weight of all this capability does burden the fighter however, making them the slowest class to reposition should any threat evolve elsewhere.

## Specializations

The Fighter specializes in [Assault Rifles](#), [Light Machine Guns](#), [Heavy Weapons](#), and all [Melee](#).
